

Parental Representation Agreement Form

The aims of the Parent Carers' Council are:

- Helping all our children flourish by raising standards of support services for our families and championing equality.
- To represent all parent carers of children or young people with any condition (learning difficulty, mental health issue, complex health need, or physical disability) within Brighton & Hove.
- To consult with and inform our membership of outcomes and updates of our representational work.

Parental Agreement for Steering Group members

I agree to represent the Parent Carers' Council (PaCC) in a courteous manner at all times.

I agree to abide by the aims of the PaCC and represent families on behalf of the PaCC, and only do so on issues or at meetings that the PaCC specifically asked me to be their representative.

I agree to seek out and represent the views from a wide a range of families, and also to feedback to them the progress and outcomes from the events and meetings I attend.

The Parent Carers' Council (PaCC) is a parent-led forum which represents parent carers with children and young people with any kind of physical disability, learning disability, complex or long-term medical/health condition, or special educational need. The group was formed to enable parent carers to work closely together to help improve services and support. It aims to help parents get more directly involved in the strategic delivery of services for disabled children in Brighton & Hove and now has about 250 signed up members.
